*Special offer at 1.95% p.a. is on new Kioti equipment only based on minimum of 30% loan equity and monthly repayments in arrears over a 24 month agreement term. Alternative interest rates, loan terms and repayment structures are also available up to 5 years on all new Kioti models. Standard lending conditions and fees apply to approved ABN holders. PFG Credit is not provided or intended for personal, domestic or household purposes. PFG Credit is a trading name of De Lage Landen Pty Limited ABN 20 101 692 040. Offer expires 28th February 2025 and interest rates are subject to change.

A MESSAGE FROM THE GENERAL MANAGER

Welcome to the Kioti Spring/Summer season, where innovation meets reliability to bring you the tools you need for a successful season. As the days grow longer and the work intensifies, we're excited to introduce our latest offerings designed to make your farming and outdoor projects more efficient and enjoyable.

This season, we're bringing you cutting-edge machinery and equipment that embody the quality and performance you expect from Kioti. Whether you're tending to your paddocks, maintaining your lawn, or taking on new challenges, our Kioti lineup is here to support you every step of the way.

We are excited to introduce the new line of Kioti skid steer loaders - engineered for those who demand versatility

and power in their equipment. Whether you're tackling construction projects, managing farm tasks, or handling landscaping jobs, our skid steers are built to deliver top-tier performance across the board

We're committed to helping you make the most of your time and efforts, with products that deliver outstanding results, season after season.

A red Kioti skid steer loader is shown from a side-rear perspective, equipped with a large black mulch head attachment. The mulch head is in the process of dumping a large pile of dark, shredded organic material (mulch) onto a dirt path. The loader's body is red, and its black tires are visible. The background consists of lush green trees and foliage under a clear sky. In the top left corner, there is a red rectangular box containing the text 'SSL' and another smaller red box below it containing '74HP'. The bottom left of the image features a large white text overlay, and the bottom of the image has a red banner with a website address.

BUILT TO COMPLETE THE JOB.

Designed with precision and durability in mind, Kioti skid steers offer exceptional maneuverability and strength, making them the perfect addition to your line-up. With easy-to-use controls and a compact design, these machines excel in tight spaces while still providing the muscle needed for heavy-duty work.

EZ PILOT PRO STEERING WHEEL

The EZ Pilot Pro Steering Wheel provides a steering solution for all Kioti non-steer ready tractors. This system replaces the original steering wheel with an electrically driven system providing an Auto steering solution when a Trimble Powered GFX-750 and NAV 900 are fitted. This system works with all correction services and is a cost-effective solution to make the tractor steer automatically.

GFX-750 DISPLAY

The Trimble® 10.1" GFX-750™ display continues a strong tradition of sleek, easy-to-use displays from Trimble Agriculture. With a roof-mounted guidance controller, your cab will be clean and clutter-free with this automated guidance system. Add in Bluetooth and Wi-Fi connectivity to go along with ISOBUS compatibility and you can tackle farming applications from every season across all of your equipment brands.

NAV-900 GUIDANCE CONTROLLER

The NAV-900 guidance controller is our most advanced GNSS receiver to date, built for maximum uptime and a wide range of accuracy options from basic to high precision. It is designed to mount on the roof of most agricultural vehicles to provide positioning and guidance, including autosteer.
